## Introduction

The Ministry of Education, Government of India, established Shri Lal Bahadur Shastri National Sanskrit University (Central University), formerly Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha, New Delhi, to preserve Shastraic tradition of knowledge, higher learning, interpretation of Shastras, intensive training of teachers in modern as well as Shastraic lore, and to establish relevance of Shastras in the modern context. Shri Lal Bahadur Shastri, the founding President of the Akhil Bharatiya Sanskrit Vidyapeetha Society, was the inspiration for this institution. Smt. Indira Gandhi, India's then-Prime Minister, declared on October 2, 1966 that the Vidyapeetha would be called as Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha. Following that, a separate society was founded and registered as a sponsoring society for this Institution by the Ministry of Human Resource Development, Government of India. The Hon'ble Minister of Human Resource Development, Govt. of India, is the President of the Governing Body of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha Society. The Vidyapeetha was designated as an Institution Deemed to be University in 1987, and it became fully operational on November 1, 1991, with full funding from the UGC. The then Vidyapeetha was governed by its Memorandum of Association, UGC Regulations, Rules, and Bye-Laws.

In order to realise the vision and mission of late Lal Bahadur Shastri ji former Hon'ble Prime Minister of India under whose Chairmanship Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha was founded and had a dream ..."to make this institution as a Central institution where not only the scholars from India but also from around the world will come and live teaching studying Sanskrit, noting the research that is being done and themselves work in Sanskrit living here... (So that)...the Vidyapeetha becomes an ideal institution whose shape in the capital of India would be what naturally it should be of such an institute"... and to meet the long pending demands of the Sanskrit aspirants acrossed the country and need of providing a plate form to the National and International Sanskrit scholars, it was felt that there should be a Central Sanskrit University as established by the Govt, of India in other languages in the country.

All the members of the Executive Council congratulated the Vice-Chancellor, Prof. Ramesh Kumar Pandey, for this great achievement and appreciated the tireless efforts made by him to fulfil the dreams of the Late Shri Lal Bahadur Shastri Ji and the desires of Sanskrit aspirants at National and International level. The members of the authorities extended their thanks on behalf of the entire community of the Vidyapeetha giving their support for this noble cause to the Hon'ble Shri Ram Nath Kovind Ji, His Excellency President of India, Shri Narendra Modi Ji, Hon'ble Prime Minister of India and Dr. Ramesh Pokhriyal Nishank, Hon'ble Minister of Human Resource Development, and welcomed the decision of the Government of India for the establishment of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha (Deemed to be University) as Shri Lal Bahadur Shastri National Sanskrit University (Central University) with effect from 30.04.2020. As Consequences, the proposal to convert Vidyapeetha into a Central University was reviewed and approved by the Government of India after three decades, and the Ministry of Education published a notification in this regard. As published in the official Gazette on April 17th, 2020, the provisions of the Central Sanskrit Universities Act, 2020, will take effect on April 30th, 2020. It has the privilege of an institution's heritage dating back to 1962.

School of Veda-Vedanga, School of Darshan, School of Sahitya and Sanskriti, School of Education, and School of Adhunik Vidya are indeed the five schools that constitute the academic vision of the University. The first three schools facilitate the study of shastraic knowledge and teaching facilities in order to accomplish degrees of three-year Shastri, Shastri (Hons), and two-year Acharya in various traditional Shastra disciplines. The School of Education offers teaching facilities for the completion of the Shiksha Shastri (B.Ed.) two-year teacher-training programme and the Shikshacharya two-year advanced Shiksha Shastra course (M.Ed.). Scholars interested in pursuing research in various branches of Shastric learning can enroll to any of the above-mentioned faculties depending on their specialisation through an all-India entrance examination.

In the University, there is an independent Publication unit that collects, preserves, and publishes historical publications authored by prominent scholars. It also brings out a research journal **Shodha-Prabha** which carries its own distinction.

In Vastushastra, Jyotish, Karamkand, Darshan, Sanskrit Patrakarita, Yoga, and Computer Applications, the University has successfully conducted vocational and professional certificate and diploma programmes. In furthermore, the University offers a wide range of certificate courses from time to time.

Since its notification as an Institution Deemed to be University, the University has held its seventeenth Convocation. The 17th Convocation was convened on April 21, 2018 during the year. The Chief Guest on this occasion was the Hon'ble President of India, Shri Ram Nath Kovind. The Hon'ble President of India addressed the scholars and awarded eminent Sanskrit scholars with degrees, diplomas, and different academic distinctions, including honoris causa degrees.

On the 3rd of December, 1993, in Rashtrapati Bhawan, the University held a special Convocation in which the Honoris Causa degree of the Vidyapeetha was conferred on Dr. Shankar Dayal Sharma, the then Hon'ble President of India. The University's first convocation occurred on February 15, 1994, on the University's campus. The Convocation address was delivered by the Hon'ble President of India, Dr. Shankar Dayal Sharma.

For the period of June 25, 2015, to June 24, 2020, the NAAC has given the university a "A" Grade. The University's IQA has been approved for third-cycle NAAC accreditation on August 19, 2020, notwithstanding the COVID-19 Pandemic. Apart from this the University is also a member of the Association of Indian Universities. ## a) About the School

The Shukla Yajurveda is taught in the School of Ved-Vedang, which has been established in 1971. The Vedas have traditionally been recognized as a treasure trove of profound knowledge. The department's under the school specific interests include Human Rights, Culture, Legal Studies, and the Environment, all of which are areas of contemporary relevance and interest. ## II. School of Darshan & its Departments

## a) About the School

The Darshan (Philosophy) School was established to promote higher knowledge in the field of traditional Indian philosophy as envisaged by ancient scholars and reflected in the Shastras. SLBSNS University offers a more focused and in-depth study of popular systems of thought in specialised disciplines of Indian philosophy, whereas traditional universities facilitate and offer teaching-learning facilities in general. Apart from that, Jain Darshan department shares many similarities with Hindu philosophy while still having its own unique characteristics. Atomic theory, Karmic theory, Anekantvad theory, Syadvad theory, Nayavad theory, Ahinsa theory, spirituality, mediation methods, and nonviolence are all applicable to today's modern world, society, and nation. Furthermore, department of Mimamsa has gained national attention as a result of specific judgements rendered under Mimamsa's norms of interpretation. The students are educated on how to use ancient texts to address contemporary issues and problems. Sankhya and Yoga are complementary in that Sankhya explores the concepts of Prakriti (matter) and Purusha, but Yoga emphasizes more on depth psychology and believes in the elevation of the human soul through the practise of multiple methodologies. The ancient tradition of Sankhya, which enunciates the notion of satva-rajaa and Tamas, is linked to Newton's laws of motion and inspires us to comprehend quantum physics. Under the supervision of renowned faculty members, the School organised Shastratha on key philosophical issues for the students.

## b) Aims

The goal of the University's School of Darshan (Philosophy) is to educate students about Indian philosophical traditions and to share the information inherent within them with the rest of the world. The school's aim is to conduct in-depth research and provide students with socially valuable information about Indian philosophical issues

## Centers of the University

## Central Library

### a) About the Library

The Shri Lal Bahadur Shastri National Sanskrit University's Central Library existed from its inception with the mission of facilitating access to and preserving information and knowledge resources needed by the University community, as well as enabling access to an impartial learning and research environment. The library, also known as Mahamahopadhyaya Padam Shri Dr. Mandal Mishra Granthalaya, comprises a comprehensive collection of major Sanskrit texts, encompassing vedas, purans, upnishads, dharamshastras, yoga, astrology, vyakarana, vastushastra, sahitya, darshan, paurohitya, and ayurveda. Apart from education, philosophy, psychology, hindi, english, and other contemporary disciplines, the library is a veritable treasure trove of information.

The University is proud of its Manuscript Library, which is an asset with all of its rare and precious manuscripts, in addition to the Library with all of its amenities. There are 1697 manuscripts on various topics, including 594 Bangla and 112 Oria manuscripts amongst these. The other manuscripts are written in Devnagri script. These manuscripts are related to the Vedas, Upnishads, Puranas, Astrology, Vyakarana, Vedanta, Sankhya Yoga, Nyaya, Karma-Kanda, Dharma Shastra, Sahitya, Music, and Ayurveda, along with other disciplines of Sanskrit literature. They seem to be from the Vikram Samvat 1800 to 2000 period, although some are significantly older.

An ancient manuscript of the Mahabharata with hand-drawn illustrations at the beginning of each chapter explaining the key events recorded in the chapter is included in the collection. Some Oria texts are written on palm leaves. Under the Ministry's manuscript mission, the University is working to preserve these unique manuscripts.

The Annual Report 2021 of a central library strives to outline our strategic directions and also provide information about our achievements. This year would be marked by a dynamic and changing environment.
